

The Chocolate Trial

A Question

“Which type of chocolate makes us happier?”

Funding

We asked Leeds Clinical Trials Unit to buy our chocolate!

Public Involvement

We asked people what they thought about our chocolate trial and made it better!

Ethics

We have checked to see who can have chocolate and who cannot. But do not worry, there is still an activity for you!

Sites

We asked the Be Curious organisers if we could host our trial here!

People

We asked staff members from Leeds Clinical Trials Unit to ask people at Be Curious to take part in the chocolate trial!

Talk to one of them today to find out how to take part!
